NOTES TO HELP YOU DECIDE WHICH CLASS IS GOOD FOR YOU!

There are two offerings each of the **Adding Fabrics and Photos to EQ8**, **EQ8 Serendipity Block Tricks**, and **Designing T-shirt Quilts in EQ8** classes. The second offering of each class is a repeat of the first. Do not enroll in multiple of these classes.

The **Designing Your Own Blocks** (Thursday) class and the **Block Drawing Basics** (Saturday) class are two different drawing classes. The Thursday class will be more in depth than the Saturday class. The Saturday class is good for those who just attended the 2-day Getting Started class and want to learn more about drawing blocks.

There are several classes that cover custom quilt designing. Read below for help choosing the right class for you.

- **Break Free from the Grid** (Friday) - The most in-depth custom layout design class being offered. A full-day of custom layout designing.
- **Basics of Custom Quilt Design** (Saturday) - This is a half-day version of the Friday class. There will be less content, but will give you the fundamentals of designing custom quilts.
- **Modern Quilt Design Using EQ8** (Friday) - Focus is on modern designing, but will work with the custom layout for creating modern designs.
- **Designing T-shirt Quilts in EQ8** (Thurs and Sat) - Focus on t-shirt quilt design, but will work with the custom layout for creating a t-shirt quilt.
